

# Delegating Successfully:

## Using the Power of Others

### Experience the benefits of delegation for you and your organization

Are you looking to improve morale, productivity and staff retention in your organization? If these are areas of concern in your organization, then maybe you are not encouraging your managers and supervisors to delegate enough.

Delegation is one of those skills that often gets overlooked as a supervisory skill to encourage and nurture. It is one of the most valuable skills to develop, but can also be the hardest skill to master.

If you are in a position to delegate and have people who would like to grow and develop inside of your organization, then this workshop will be a must for you.

Join us for a half day, highly interactive workshop where you will learn the simple 5-step process to delegation. We will work with you to decide what and whom to delegate to and coach you on how to effectively communicate the delegation.
